BEST WISHES FOR THE HOLIDAY SEASON

As the holiday season approaches, I want to express to each of you my appreciation for your splendid work this past year. It has been a year of great strides forward in improving our career service and in building training that counts for CIA. It has been possible only because of your efforts. I am very proud of each of you, and I am confident that, with you as the team, the challenges of the year ahead will be met professionally and successfully.

I wish each of you and your families a happy, healthy holiday. You should take considerable pride in knowing that your accomplishments this year made a vital contribution to the work of the Agency.

Merry Christmas and a Happy New Year.
